## Japan postpones Olympics Games until next year

THE Tokyo 2020 Olympic and Paralympic Games have been postponed until next year because of the worldwide coronavirus pandemic.

The event, due to begin on July 24, will now take place "no later than summer 2021". Japan's Prime Minister Shinzo Abe (above) said yesterday: "I proposed to postpone for a year and IOC president Thomas Bach responded with 100% agreement."

The event will still be called Tokyo 2020 despite taking place in 2021. In a joint statement, the organisers of Tokyo 2020 and the IOC said: "The Games in Tokyo must be rescheduled to a date beyond 2020 but not later than summer 2021, to safeguard the health of the athletes, everybody involved in the Olympic Games and the international community."

## Windrush compo bill to be passed

LEGISLATION allowing compensation payments to victims of the Windrush scandal looks set to be approved by MPs in the Commons this week.

Members of the Windrush generation and their families who were wrongly told they were in Britain illegally have been promised financial redress.

An estimated 500,000 people now living in the UK who arrived between 1948 and 1971 from Caribbean nations have been called the Windrush generation, a reference to a ship which brought workers here in 1948.

## Toilet rolls and handwash theft gang in court

THREE men have admitted stealing toilet rolls and handwash as supplies ran low over the coronavirus crisis.

The men, all from Essex, were charged after police stopped a van in South Ockendon on Friday night.

Johnnie Scamp, 29, of Aveley, James Scamp, 41, of Purfleet, and Thomas Simmonds, 37, of South Ockendon pleaded guilty to burglary.

Police were initially alerted when a vehicle smashed through a closed barrier on a building site.

At Chelmsford Magistrates' Court, the three men were given community service orders.

Their haul was taken from a site in Hatfield Peverel, north east of Chelmsford, Essex.

# ALEX SALMOND: WAS IT A CONSPIRACY?

## Top Scottish politician calls for post virus inquiry

**CLEARED: Mr Salmond**

**CALL FOR INQUIRY: Alex Neil**

**A MEMBER of the SNP says a judge should investigate claims the Scottish Government conspired to "do in" Alex Salmond.**

A High Court jury cleared Mr Salmond of 13 sexual assault charges on Monday.

Alex Neil said allegations that the "organs of the state" conspired against Mr Salmond had been central to the former First Minister's defence, and that a judge-led inquiry was needed to find whether the "very serious"

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

claims of a conspiracy were actually true.

The women who made the allegations against Mr Salmond included an SNP politician, a party worker and several current and former Scottish Government civil servants and officials.

During his evidence to the court, Mr Salmond said the allegations were "deliberate fabrications for a political purpose" and had been aimed at preventing him from making a political comeback.

Mr Neil said: "Clearly the allegation is that it was a conspiracy involving a number of people to do in Alex Salmond."

The ex-Health Secretary said he did not know whether there had been a conspiracy or not.

But he added: "If the organs of the state like the civil service, the Crown Office and Government advisers were involved in any such conspiracy, that's a very serious matter."

"So my view is that, once the coronavirus crisis is over, there needs to be an independent judge-led

inquiry to find out was there a conspiracy, if there was what was the conspiracy, who was involved and was there criminality involved in such a conspiracy."

Speaking outside court after his acquittal, Mr Salmond said there was "certain evidence" that he had not been able to use during the trial but which would "see the light of day" after the coronavirus crisis had passed.

Prominent SNP MP Joanna Cherry, a close ally of Mr Salmond, has already said that the jury's verdict in the case raised "very serious

questions" about the SNP and Scottish Government handling of the complaints that were made against him.

And fellow SNP MP Kenny MacAskill, a former Scottish Justice Secretary, tweeted that "some resignations" were now required in the wake of Mr Salmond being cleared.

The jury at the High Court in Edinburgh returned not guilty verdicts on 12 of the sexual assault charges faced by Mr Salmond, including one of attempted rape, and returned a not proven verdict on a further charge of sexual assault with intent to rape.

## SPORTS DIRECT IN SHOPS U-TURN

SPORTS Direct has done a U-turn on keeping its shops open during the coronavirus lockdown following a public backlash.

The Government has ordered all UK shops selling non-essential goods to close.

Sports Direct at first said it would stay open as it was "uniquely well placed to help keep the UK as fit and healthy as possible".

But after widespread criticism of the firm, and its controversial boss Mike Ashley, it said yesterday it will not open "until we are given the go-ahead by the Government".

Sports Direct's chief financial officer, Chris Wootton, said the chain was contacting the Government "at all levels" to confirm

whether its shops were deemed to provide an essential service.

But Cabinet Office minister Michael Gove said yesterday morning he could not see "any justification" for it to stay open.

He added: "The key thing we need to do is make sure people wherever possible stay at home. Yes, it's

important that people exercise but that should be done once a day and it's a basic thing.

"People can walk, run or cycle... they should... but there is no reason for a store like Sports Direct to remain open."

Bosses at the firm said sports equipment it sells can be used to exercise at home at a time when gyms have been closed.

She can always cam for Chaturbate. She just needs to add some sex toys.  
I wonder if she is into rusty trombones?  
She is ready with open legs

**THE stunning niece of late Aussie croc king Steve Irwin has been SEX TROLLED after posting a skimpy bikini selfie online.**

Rebecca Lobie, 32, shared the pic of her wearing the tiniest of beachwear on Instagram, with the caption: "Sundays we wear bikinis."

In the raunchy shot Rebecca, whose legs are spread wide open, runs a hand through her hair.

But the pic attracted a stream of responses from around the world when it was then posted on the scurrilous *Daily Mail* online website.

Some were naughty, like Eddie Askell from the United States, who wrote: "She can always cam for Chaturbate. She just needs to add some sex toys."

And Silver Fingers in San Diego added: "I wonder if she is into rusty trombones" - a reference to a sexual act involving rimming and blowjobs.

However, others were critical, like Prague81 who wrote: "Please stop embarrassing the Irwins! They've worked hard to get where they are and you come along, take half naked pics and

slap the name Irwin on them."

Rebecca used run concessions at her late uncle's Australia Zoo but no longer works there.

She stopped following her 21-year-old cousin, Steve's daughter Bindi Irwin, on Instagram - despite the fact the pair were once close.

Rebecca rose to fame in September last year with her racy social media photos.

Her uncle Steve died in September 2006 after being pierced in the chest by a stingray barb while filming in the Great Barrier Reef in his native Oz.

## Hospital nut's bomb threat over test snub

A MAN faces terrorism charges after police say he threatened to bring a bomb to a hospital after medics refused to test him for coronavirus.

Brian Gosh had called the hospital to ask to be tested for COVID-19.

A hospital employee told Gosh, 41, that they were not able to provide him with a test.

Police say Gosh then got angry and "threatened to bring a bomb to the hospital and put it inside the cafeteria or a conference room."

He also told the employee at the Intermountain Medical Center in Murray, Utah, to "keep their family safe," cops say.

Gosh was hauled off to the local nick where he awaits charges.

## 'Hairdryer cure' councillor 'dumb as a f\*\*king rock'

A POLITICIAN has apologised for telling a public meeting that blowing a hairdryer up your nose can cure the coronavirus.

Bryant Culpepper bragged about his background as a paramedic as he hailed the madcap "cure" that he saw "one of the foremost doctors who has studied the coronavirus" reveal on cable TV.

He told the meeting: "This sounds really goofy – and it did to me too – but it works."

"The answer was you use a blow dryer. You hold a blow dryer up to your face and you inhale with your nose and it kills all the viruses in your nose. Sometimes the cures for some diseases are very simple."

The councillor in Okeechobee County, Florida, was called "dangerously ignorant," a "special kind of stupid" and even "dumb as a f\*\*king rock" on Facebook.

Culpepper offered a "heartfelt sorry" for his suggestions.

## China back on the move after lockdown lifted

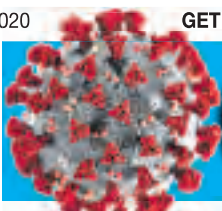

CHINA will lift restrictions on movement in most areas of Hubei province today, ending a lockdown of the area brought on by the coronavirus.

People who were cleared were able to leave the province after midnight last night.

Restrictions on the hardest-hit city of Wuhan will remain until April 8.

China barred people from leaving or entering Wuhan and the wider province on January 23 as COVID-19 began spreading to the rest of China and overseas during the Lunar New Year holiday, when many Chinese travel.

Hubei has had almost no new infections for more than a week.

## Porn beauty Angel in 'high risk' group

PORN stunna Angel Long was ordered to stay at home even before PM Boris Johnson ordered the UK into national lockdown on Monday night.

Angel, 39 – real name Sarah Elizabeth Read – took to Twitter to reveal she'd had notification to stay indoors for 12 weeks while the coronavirus storm passed.

### Tireless

She tweeted: "Just received the letter from the government telling us to stay inside for 12 weeks #Highrisk #Covid19"

Angel is in a high-risk group as she lives with

the lungs and digestive system condition cystic fibrosis.

As well as the super-fit six-footer being one of Britain's best-loved porn babes, she's also a tireless campaigner for awareness of the condition.

Beauty Angel is one of the three main faces of the Adult Channel, along with fellow adult film starlets Laura Jones and Michelle Thorne.

She won an AVN Award for Best Group Sex Scene: Video in 2003 and a SHAFTA Award for Best Anal Sex Scene: Video in 2010.

She's also a top adult movie director.

## VIRUS POP STAR 'MAY FACE MURDER CHARGE'

A WORLD-FAMOUS pop star could face a MURDER charge after cops accused her of recklessly spreading the COVID-19 bug.

Bollywood singer Kanika Kapoor attended several parties in Lucknow, India, earlier this month, ignoring instructions to self-isolate when she returned from a trip to London.

She later tested positive for COVID-19 and the President of India was forced to cancel his engagements as he'd been in contact with people who had mixed with 41-year-old singer.

Now she's in serious trouble for

ignoring official orders. Police Commissioner Surjit Pandey said: "A complaint was lodged under laws pertaining to a negligent act likely to spread infection of disease dangerous to life, a malignant act likely to spread infection of disease dangerous to life, and disobedience to order duly promulgated by public servants."

And things could get even stickier for Kapoor as some in India have suggested she could be charged with murder if anyone she came into contact with later dies.

A source said: "The Uttar Pradesh

government may book her for murder if any deaths due to the coronavirus occur around the places where the singer resided and partied in Lucknow."

Meanwhile, authorities in South Africa have warned deliberately or recklessly exposing someone to the virus could lead to a murder charge.

A spokesman for South Africa's government said: "Under the terms of the Disaster Management Act, if you knowingly expose another person to COVID-19, you may be prosecuted for assault, attempted murder or murder."

## Iceland vans and cops hit in arson riot

TWO supermarket vans were destroyed in arson attacks just hours after Prime Minister Boris Johnson told people to stay at home.

The delivery vans were wrecked in the attack outside an Iceland store in Southmead, Bristol, on Monday night.

In a statement, Iceland said: "Police riot vans were called out at around 9.30pm and youths threw missiles at the police as they tried to disperse them."

"Later in the evening the two home delivery vans parked outside our Southmead store were set alight and the fire brigade attended to put out the fire."

"The vans will both have to be written off. We believe this to be an act of mindless vandalism."

## Wine sellers surge as Brits go plonkers!

WHEN the going gets tough, the Brits get... **PISSED.**

Wine retailers are experiencing a surge in sales as pubs and restaurants close and snoots self-isolate with racks of their fave plonk.

Laithwaites Wine, the posh mail-order and online retailer, said the boom started a week last Sunday.

The firm's Andrew Stead said: "So we're on our eighth day now."

"Normally on a sunny day our phones are quiet because everybody is outdoors but Sunday 22nd was enormous."

"Sales are about double what we usually see at this time of year."

Majestic Wine also said its sales were up by "200%+" and that it was experiencing "exceptional demand."

## Sanitiser plant set to be built within 10 days

CHEMICALS giant Ineos is to build a hand sanitiser plant to produce one million bottles a month.

The company said it has the site near Middlesbrough will be ready within 10 days, adding that products will be given to hospitals free of charge.

Ineos said it intends to produce both standard and the pocket bottle hand sanitisers.

The company already manufactures a range of healthcare products, including rubber gloves, PVC saline drips, syringes, ventilators and medical tubing.

Sir Jim Ratcliffe, founder and chairman of Ineos, said: "If we can find other ways to help in the coronavirus battle, we're committed to playing our part."

## Health officials block group sex parties

**ORGIES and rimming have been banned thanks to coronavirus – but WANKING has been given the green light.**

Health bosses have shared a list of recommendations as to how people can get it on while keeping the risk of contracting the deadly disease low.

It reads: "You are your safest sex partner. Masturbation will not spread COVID-19, especially if you wash your hands (and any sex toys) with soap and water for at least 20 seconds before and after."

Should a person want to have sex with someone else, the department said, "the next safest partner is someone you live with".

The advice from medics in New York adds: "Having close contact – including sex – with a small circle of people helps prevent spreading COVID-19."

### Mouth

The agency also advised against "group sex" or orgies, suggesting: "Video dates, sexting or chat rooms may be options for you."

In some of the most graphic advice offered, they also warned "rimming" which involves mouth on anus action.

The virus could enter the system that way, they say, as COVID-19 has been found in the faeces of people who have been infected.

They also suggested that condoms can reduce contact with saliva or faeces, especially during oral or anal sex.

The health department

also urged people to skip sex if they or their partner were not feeling well.

A hairstylist from the city spoke to the New York Post and said he appreciated the advice and also agreed with it.

He said: "Masturbating obviously is the safest thing to do. That's a no-brainer."

"And if you're two people living in the same household, you're already sharing germs."

"Whatever you do in your personal life is your own business, but maybe this is not a good time to be having orgies outside of the house and bringing it all home."

New York Mayor Bill de Blasio said: "I hate to say this but it's true, we are now the epicentre of this crisis, right here in the nation's largest city."

Million of people in the Big Apple are in lockdown.

**Wash your hands as though you've cut chilli & now want to masturbate!**

NOW there's a way to make sure you wash your hands properly. A hospital in Cologne, Germany, has come across an eye-catching way to make sure locals scrub their digits.

The sign reads: "Wash your hands as though you've cut chillies and now want to masturbate".

One Twitter user reacted: "If the goal of awareness campaigns is to cut through the noise and get people to remember the message, this one is on point."

Authorities around the world have insisted that regular and thorough hand-washing is the best defence against the killer Chinese Death Plague.

## BGT finals become latest victim of deadly disease

BRITAIN'S *Got Talent* has become the latest TV show to be hit by the coronavirus pandemic – with the live finals postponed.

The pre-recorded auditions with judges Amanda Holden, Alesha Dixon, Simon Cowell and David Walliams will air in the next few weeks.

But the live finals, hosted by

Ant and Dec, will now be broadcast at a date yet to be set later in the year.

"The *Britain's Got Talent* audition shows will broadcast on ITV in the next few weeks," the broadcaster said in a statement.

"We have been working...to find a way of making the live finals work, which were due to be

broadcast at the end of May. However, in light of the latest Government health guidelines and in line with our priority of safeguarding of everyone involved in our programmes, production of the live shows cannot go ahead as planned."

"The live finals will therefore be broadcast later in the year."

## Kumar: Give my bread roll chucker 'anger' treatment

LEFTY comic Nish Kumar has said the audience member who threw a bread roll at him during a charity gig needs to attend an anger management course.

The *Mash Report* host was performing a stand-up set for free when some of the crowd took exception to his political jokes.

A bread roll was thrown and Kumar (above) was booed off stage at the Lord's Taverners annual lunch in December.

"I'm entitled to express my opinion and they're entitled to express their opinion about my opinion," said Kumar, who concedes hostile receptions are part of a comedian's job.

"I think the guy that chucked the bread roll probably needs to be on an anger management course because I just think anytime as an adult, you're flinging bread at someone, you've taken leave of your senses."

STORMY Daniels insisted she did not reveal intimate details of her alleged affair with Donald Trump in order to humiliate him.

The 41-year-old defended writing what she claims is an accurate description of Trump's toadger in a book because it proves she is "telling the truth".

Speaking to BBC2's *Newsnight* in 2018, the porn star said: "Unless he's had a penis transplant I'm pretty sure that's a checkmate."

The interview was her first outside the US since the release of her book *Full Disclosure*.

In the account, Daniels described Trump's manhood in great detail, adding: "He knows he has an unusual penis."

"It has a huge mushroom head. Like a toadstool."

## JFK AND MARILYN MONROE

MARILYN Monroe and John F Kennedy's affair keeps tongues wagging more than 40 years later.

Though there has never been official confirmation of any of Kennedy's dalliances, there are indications he was unwilling to stop his playboy lifestyle despite being married.

Of his supposed conquests, Hollywood sex symbol Monroe tops the list.

A sultry version of *Happy Birthday* sung by Monroe to Kennedy at Madison Square Garden in 1962 was supposedly the impetus for their affair.

Monroe died later that year of a drug overdose, but tales about her alleged fling with JFK never let up.

FBI Director J Edgar Hoover tried to prove the man in a secret sex tape of Monroe was Kennedy, but he lacked definitive proof.

**FORMER US president Barack Obama left millions of social media followers in a frenzy after fans saw he was following porn star Sara Jay on Twitter.**

As we reported in our sister publication *Sunday Sport* at the weekend, not long after an eagle-eyed fan noticed that the 42-year-old adult actress had a very well-known follower, her name was trending worldwide.

The results were a series of entertaining messages and memes about the perhaps “unusual” social media connection.

One follower noted how bizarre 2020 was becoming after discovering the unlikely connection.

They wrote: “Sees that Sara Jay is top trending. Sees that Sara Jay has a Twitter account. Sees who is following Sara Jay. 2020 is WEEEEEEEEEEIRD!”

Mr Obama is no longer following Sara Jay, but some Presidents have done a lot more than that with ladies who aren't their wives...

## BILL CLINTON AND GENNIFER FLOWERS

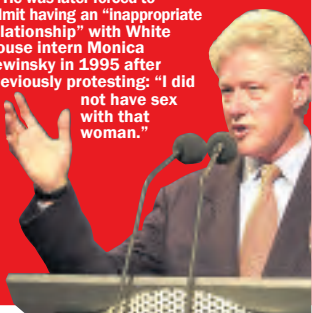

**GENNIFER Flowers claimed Clinton first approached her in 1977, when she was a young local news reporter – which she claimed was sexual harassment.**

She said: "He came on to me that night. I told him to knock it off. He proceeded to continue to come on to me for three months before I decided I wanted to have a relationship with him, which at that point was consensual."

In 1998, Clinton admitted while under oath to a sexual encounter with Flowers but denied it lasted for over a decade.

He was later forced to admit having an "inappropriate relationship" with White House intern Monica Lewinsky in 1995 after previously protesting: "I did

not have sex with that woman."

AN amputee has praised his practical wife after she fashioned a prosthetic leg for him from items she found in the SHED.

## 'Liar' rant as Kim K and Swift kick off

KIM Kardashian West accused Taylor Swift of being a liar as the row over the singer's 2016 phonecall with Kanye West erupted again.

The row centred on West's song *Famous* and to what extent Swift was aware of the lyric "I made that bitch famous" – which she later objected to and called "misogynistic".

A full recording of the 25-minute conversation was leaked over the weekend – and Swift said it proved she had been telling the truth.

In an Instagram Story post, Swift, 30, accused the Wests of illegally recording the call, editing it and manipulating the footage to "frame" her, then putting "me, my family and fans through hell for 4 years".

Kardashian West (above) hit back on Twitter, saying: "I didn't feel the need to comment a few days ago, and I'm actually really embarrassed and mortified to be doing it right now, but because she continues to speak on it, I feel I'm left without a choice but to respond because she is actually lying."

# NEST BABES - BOOBS OUT!

## Stars of new BBC1 drama are topless

**The Nest - BBC1, Sundays, 9pm**

By **WENDY THOMAS**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A NICE bit of gripping drama – that's what we need right now.**

And the BBC have teamed up two of Britain's hottest talents for their Sunday night show *The Nest*.

The new drama sees Martin Compston (*Line of Duty*) and Sophie Rundle (*Peaky Blinders*) star as Dan and Emily, a wealthy couple who strike up a deal with Kaya (Mirren Mack), an 18-year-old with financial struggles, to be surrogate for their baby.

But with Kaya asking for £50,000 to carry their last remaining embryo, Dan and Emily were forced into making a difficult decision.

Can they really trust a teenager they barely know with their last chance of starting a family?

The five-parter, with Liz Ewing as Janice, looks set to be a huge hit.

As a bonus, here are Sophie and Liz topless!

Sophie stripped to reveal her boobs in BBC2 comedy *Episodes*, while Liz gave us a good look in the 2001 Billy Connolly TV movie *Gentleman's Relish*.

# CONDOM PERV CAUGHT PANTLESS IN TEEN'S WARDROBE

A MAN was allegedly caught without his pants on and holding condoms in the wardrobe of a 14-year-old girl.

Johnny Ray Shanklin, 27, was allegedly detained by the girl's mother at around 3.15am on December 9 last year.

When cops arrived at the home in Texarkana, Texas, they allegedly found Shanklin, nude from

the waist down, in the girl's wardrobe with condoms in his hand.

He appeared before 5th District Judge Bill Miller with a member of the Bowie County Public Defender's Office.

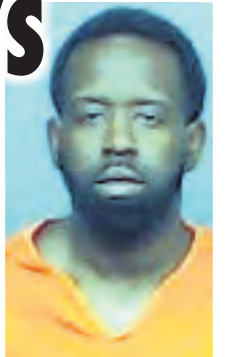

Shanklin entered a not guilty plea to a

charge of sexual assault of a child.

His bail is currently set at £70,000.

If found guilty of the charge, Shanklin (right) faces from two to 20 years in prison.

Assistant District Attorney Katie Carter is prosecuting the case.

# THE HUMAN

**MONSTER:** Steven Gordon represented himself in court

**PINNED to the wall of Steven Gordon's cell on Death Row at California's San Quentin prison is a handwritten note from his niece.**

The words it contains are so shocking that 'Uncle Steve' keeps it as a constant reminder of what he really is – an animal.

Gordon, from the city of Anaheim in Orange Co, California, said: "I got this letter from my niece. I love her more than anything. She asks, 'How could you do that to those women? You're evil. You're disgusting'."

## Screwed

"I read it periodically, to keep my mind focused. It's pretty bad."

"I screwed up. What I mean is, it's beyond evil what I did."

By **BRAD CHADWICK**

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

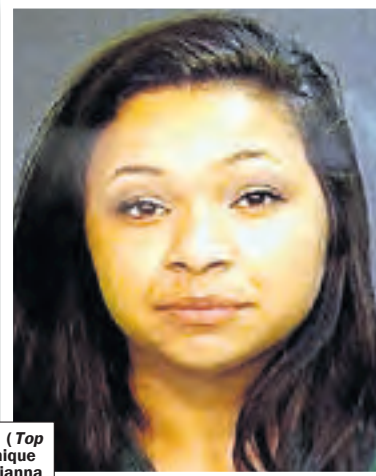

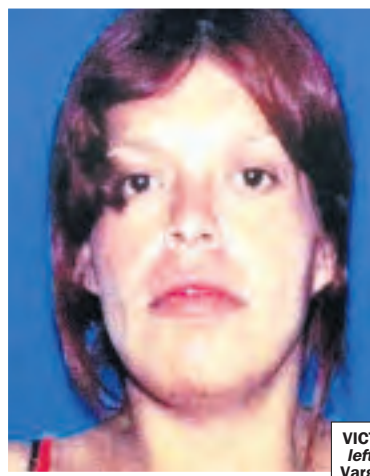

"Why should I be able to live for another 20 or 30 years? Those women didn't have that opportunity, so I shouldn't have that opportunity."

Gordon, 48, and his accomplice Franc Cano abducted and murdered five innocent women during a 12-month killing spree in 2013 and 2014.

One would throttle while the other punched and stamped on their victims until they stopped breathing.

Those victims were Martha Anaya, 28, Josephine Monique Vargas, 34, Jarrae Nykkole Estep, 21, Kianna Jackson, 20, and 19-year-old Sable Alexandria Pickett.

Only one of the bodies has ever been discovered – that of Jarrae Estep. Her

**VICTIMS:** (Top left) Monique Vargas, Kianna Jackson, (bot left) Jarrae Estep and Martha Anaya

mangled remains were found at a rubbish dump.

For Gordon, the act of slaying grew more addictive with each hit, snowballing into a crescendo of carnage.

So much so that when he was finally arrested in April 2014, he openly begged prosecutors to give him the death penalty.

Gordon told them: "You hear about guys sitting 20, 30 years on Death Row. I don't want that. If you kill anybody in that fashion, you deserve the death penalty. 'You shouldn't sit around 20 years waiting to die. They should just kill you.'"

"If you kill four people like this in cold blood, you deserve to die."

"My actions were evil and horrible, and you're gonna get your justice very soon."

But do not mistake his confessions for something deserving of sympathy.

## Kidnapping

In 1992, Gordon was convicted of molesting a child under the age of 14 – his own nephew.

And 10 years later he was acquitted of raping his own wife but given a kidnapping conviction.

In 2008, Cano secured a conviction for lewd and lascivious acts with a child under 14.

It was while serving time in prison Gordon

and Cano first struck up their sick friendship.

In May 2012 the pair were arrested together in Las Vegas after a two-week stay at the Circus Hotel and Casino.

Both were ordered to wear GPS monitoring ankle bracelets and warned not to go near each other.

But soon afterwards, right under the noses of Anaheim Police, they not only met up but set about raping and murdering a slew of victims.

Prosecutor Larry Yellin told jurors that Gordon and Cano were "two incredibly sadistic, cruel, vile people".

As Gordon himself explains: "The first one wasn't planned. Then it just started."

The pair took to hanging out in Gordon's truck, looking for sex workers to pick up.

They would abduct them and take them to a bleak industrial estate behind the Boss Paint & Body car garage, where Gordon worked.

It started with Kianna Jackson. Gordon said he

hadn't planned to kill her but became angry when she took his money and tried to leave without finishing a sexual act.

Gordon and Cano grabbed Kianna and took her to the lock-up, where they raped and strangled her before dumping her body in a nearby waste bin.

Gordon knew the bins were due to be emptied the next day and that Kianna would end up in a landfill, lost to the world forever.

## Trash

She is still there to this day, buried beneath tons of trash.

During his trial, District Attorney Yellin asked Gordon: "After that, when did you decide you wanted to do it again?"

Gordon replied: "Ten days. I was in shock for the first four."

"Did I kill because I liked it? I wouldn't say I liked it. It was the anger."

He went on to describe how the women screamed and cried in the truck on the way to their demise,

**KILLERS:** Gordon and (inset) Cano

# IN FRIDAY'S

**STEVEN Gordon was the perfect apex predator, circling his vulnerable prey before striking viciously and without warning. It's no wonder the prolific serial killer came to be named after a similarly merciless beast...**

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**

but always stopped by the time they arrived.

He remarked: "When they realise they ain't getting out, it's better to calm down."

The sick duo also exchanged a series of lurid texts, urging each other to kill.

Referring to the women as 'kitties', the pair discussed one of the murders, with Gordon saying: "Kitty goes to sleep. She can't leave."

Cano, meanwhile, pleaded with Gordon to wash one of the bodies in order to rid it of their DNA.

He texted: "Get some water so that cat can take a hot shower – it might walk with seven lives."

The pair finally slipped up with the killing of Jarrae Estep, their final victim.

Gordon insists he never wanted to kill her, having lost his nerve.

He described watching Cano strangle her to death, before adding: "I bent down when Cano wasn't looking, and I kissed her on the lips and said, 'I'm so sorry.'"

Estep, though, then suddenly started moving. It was a struggle for life

that Cano tried to snuff out by repeatedly stomping on her.

The pair disposed of the body in the usual way – dumping it in the bin next door.

Only this time, it was spotted by a worker at a recycling plant where the compacted trash ended up.

It was so contorted that the worker initially thought it might have been a mannequin or theatrical prop.

### Bones

The legs were bent at impossible angles, bones protruding through the skin like shards of glass.

But on closer inspection, the grisly truth was revealed.

Estep's skull was crushed so badly that investigators couldn't positively identify her from her driver's licence photo, instead having to rely on tattoos and

fingerprints.

But the most horrific detail revealed at the autopsy was the fact that it was very possible Estep was still alive when she was placed in the wheelie bin, before then being lifted into the lorry and crushed.

Officers checked the location of the recycling plant for any known convicts who might have been in the area.

The GPS trackers on Cano and Gordon's ankles put them both clearly in the frame.

They were arrested on April 11, 2014 – and Gordon quickly spilled the beans about the entire sorry saga.

When their separate trials got under way, prosecutor Yellin told the jury: "The film *Jaws* is about a predator. This case is about two. You are about to see the hunt. They formed a

very efficient killing and evidence-hiding machine."

During his trial, Gordon taunted probation officers, asking them why they weren't checking and comparing the GPS data they were supposed to be logging.

Gordon, who represented himself in court, probed Manuel Ontiveros, a federal probation officer, needing: "Do you ever review the data logs?"

Ontiveros replied: "I didn't see a need."

Gordon spat back: "Well, I bet you do now!"

On December 21, 2016, Cano was handed a death penalty, having refused to testify.

### Hollow

Gordon was given the same fate on February 6 this year.

He told his victims' family members: "I'm sorry for everything."

"But these are hollow words compared to

what those women went through.

"I truly am sorry. I know that doesn't mean anything, but I'm sorry."

Kathy Menzies, Kianna's mum, described how the crime had shattered her once-loving family.

She wept: "Now there will always be a part of our family missing."

Meanwhile, Herlinda Salcedo, the mother of Martha Anaya, described the nightmare she faces, having to tell Martha's own kids what became of their poor mother.

Herlinda sobbed: "My daughter was everything to me."

"Every day when her children ask about their mum, I tell them she is just another star in the sky."

"We have to forgive. Not because they deserve our forgiveness, but because we need peace."

# NONCE IS BEATEN TO DEATH IN JAIL

**Sickened  
lags slice

**KILLED:  
Pastrana**

A PAEDOPHILE convicted of molesting nine young boys was beaten to death and then had his PENIS cut off in a vicious prison fight.

Cesar Pastrana, 33, died of his injuries after a brawl at Hancock County Jail, Georgia, where he had served eight years of his life sentence for child sex abuse.

The scrap happened on March 13, and Pastrana died after being rushed to hospital for treatment.

The Georgia Department of Corrections have said his death is now being investigated as a homicide.

In a statement, they said: "Agents have reason to believe Cesar Pastrana died as a result of injuries sustained during an altercation involving another inmate on March 13."

Medical personnel responded and life saving measures were performed.

### Violence

"He was transported to a local hospital where he was pronounced deceased at 12.15pm by a hospital physician."

The identity of the other inmate has not been released but jail sources say he is known for violence.

They said Pastrana's severed penis – thought to have been hacked off

with a Stanley knife – was recovered from his cell.

In 2012, Pastrana, then a church volunteer, was sentenced to life in prison after pleading guilty to multiple counts of child molestation.

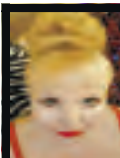

On February 10 that year, Pastrana was arrested after he had volunteered to help at a weekend 'lock-in' event sponsored by a local church, and he was charged with molesting a juvenile.

In September that year, he pleaded guilty to 10 counts of child molestation, four counts of aggravated child molestation and one count of aggravated sodomy.

The incidents involved nine boys, including two relatives.

# KUNG-FU GIRL BROKE FELLA'S NOSE WHEN HE SNUBBED SEX

CHARGED:  
Holmes

A WOMAN claiming to have a "black belt in martial arts" broke her boyfriend's nose with a kung-fu kick when he refused sex with her.

La-Donald Holmes then coughed "copious amounts of saliva" onto a paramedic's face while shouting "I have the coronavirus!"

Holmes, 38, was charged with domestic battery and battery on a member of the emergency services.

Cops were called to a home in Lady Lake, Florida, after reports of a disturbance.

The boyfriend said the two of them had been lying in bed and Holmes became "very agitated" when he refused her pleas for nookie.

He refused and at

that, Holmes allegedly "roundhouse kicked" the unnamed boyfriend in the nose, following up with a punch to his snorter.

His nose was broken, police said.

Holmes was still in bed when cops arrived, and she kept falling to the ground when they tried to arrest her.

Fearing she may be having some kind of medical episode, they

called paramedics to the scene.

When the paramedics tried to secure her to a stretcher, she coughed in one of the technician's face and shouted that she was infected with the killer virus.

Holmes was eventually secured and taken to a nearby hospital for evaluation.

After being medically cleared, she was booked into the Lake Co jail before later being released on a £5,000 bail.

She is due in court on April 13.

## Oral vid blow for sport star

A BASKETBALL star has apologised after posting an oral sex tape online to his half a million followers.

Up until Saturday, Jamal Murray was surprising fans with TikTok videos of him practising the piano.

But unfortunately for the Denver Nuggets point guard a very different type of video was uploaded to his Instagram that night.

Murray, 23, claimed he was the victim of a hack after footage of a man receiving oral sex from a woman was sent out to his fans.

Murray's girlfriend Harper Hempel, who he has been dating since they attended college together at Kentucky, has deleted her Instagram in the wake of the scandal.

An insider said: "It's quite obvious what happened, but everyone's trying to sweep it under the carpet."

## 'PUBIC BRANDING' DOCTOR FACES SACK

THE doctor who branded "slaves" in the Nxivm cult could now lose her medical licence.

Dr Danielle Roberts is accused of searing the initials of cult founder Keith Raniere and *Smallville* actress Allison Mack into the "pelvis region" of 13 women, according to charges filed against her by the New York Board for Professional Medical Conduct.

Six of the women were naked when Roberts wielded a cauterizing pen to brand them as they were restrained by other nude followers, while one

filmed the procedure on a mobile phone, the state alleges.

A hearing is set for May on 47 misconduct counts against the osteopath, including abusing patients.

Roberts (left), 38, was named in a civil suit in January, along with Nxivm leaders, for her role branding members "in their pubic areas, without their informed consent and without anaesthesia."

Raniere is facing 15 years to life in prison for racketeering and sex trafficking.

## Dishy Dannii rakes it in thanks to nude snaps

By JUSTIN DUNN

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

A TOP glamour model has become the first UK woman to make £1million from a racy website.

Dannii Harwood said she raked in most of the money in just 18 months of X-rated posts on *OnlyFans*.

The 37-year-old has hundreds of followers who pay a monthly fee to see photos and videos of the blonde.

### Intimacy

Dannii, of Neath, South Wales – who went to school with sexy opera singer Kathryn Jenkins – thinks her success is down to the site's intimacy, rather than the naked flesh on show.

She said: "I have had my page since 2016 but didn't use it for the first 18 months.

"Ninety-five per cent of the money I have earned has come in just over 18 months.

"It is all about interaction with fans.

"They are able to send messages to the girl straight away."

Now Dannii is hoping to earn even more dosh by offering a consultancy service to other women who want to use the site.

# ANGRY MOB DROWNS 'WITCH' IN BARREL OF TREACLE

**A FURIOUS mob drowned an 83-year-old woman in a barrel of TREACLE and then burned her corpse after accusing the old dear of being a WITCH!**

A group of howling villagers arrived at the home of Nosayinethi Manundu ranting that she had been using dark arts.

The mob accused the great-grandmother of cursing one of her own relatives – who later died – and dragged her screaming from her home. They then forced Nosayinethi head-first into a 32-gallon drum of sticky molasses.

and begging for her life. "Those screams fell on the deaf ears of her accusers because to them she was a witch and was responsible for every death in the family."

The mayhem started after the stabbing of Nosayinethi's grandson Samkelo Manundu, 23, who later died.

The relative said: "At Samkelo's funeral there was much drinking and it was claimed he had been murdered on the orders of Nosayinethi, who had turned him into a zombie."

Six people in the village of Sterkspruit, South Africa have now been arrested by police on suspicion of murder and arson.

### Superstitious

When her dead body was pulled from the barrel, it was doused on petrol and set alight.

Now Nosayinethi's family are living in fear as they think that the superstitious locals may suspect they too are involved in witchcraft.

A 38-year-old relative, a who wants to remain anonymous because she fears for her life, said her grandmother died like a dog.

She said: "I struggle to sleep at night as I can still hear my grandmother screaming

# THE WORLD FAMOUS AGONY Page

Dear Tess,

LAST week I was due to fly to Milan for a business meeting. As I checked in I clocked a stunning woman in a black dress and jacket, with long raven hair and fantastic breasts. She beckoned me over and I was gobsmacked when, straight out, she asked in a thick Italian accent if I wanted "to f\*\*k". We hurried into a cubicle in the gents where she ripped her blouse open to reveal her fabulous melons and I soon had my gob round her nipples. As I hitched up her skirt and fingered her dripping pussy she squeezed my balls and massaged my cock. Then she quickly undid my flies and I rammed my throbbing manhood up her. When we'd both climaxed she did herself up and walked off without a word. But I missed the flight and now I've been sacked – should I tell the wife?

NC, Wilts

Tess says...

TELL her you've had a rise – it's true! ! But don't mention the Italian job!

Dear Tess,

I RECENTLY asked my girlfriend if she was interested in dabbling with some "backdoor fun". At first, she told me she had reservations, but finally agreed – on the understanding that we BOTH try it. So now she wants to strap on a big, f\*\*k-off dildo and do ME up the shitter, before she'll allow me to shag her bumhole. I know it may seem like double standards, but I feel anal for women has become "the norm" between heterosexual couples, whereas for the man to receive "pegging" seems a little bit "abnormal" to me. On a purely physical level I have no real problem doing it. But my issue lies with if – or when – I ever finish with her, how much shit will I get from my mates down the pub if she ever tells them about our intimate anal frolics. Please help!

AN, Bristol

Tess says...

IF it's OK for her to take it up the arse, then it should be the same for you.

## Sale of the sin-tury

Dear Tess,

I'm a salesman and I was out promoting goods in a supermarket last week when I caught the eye of a pretty female shop assistant.

We chatted a couple of times during the day and I noticed she was flirting quite openly with me – which was very flattering.

Then she sidled up to me at the end of the day and asked if I minded giving her a lift to the bus stop, just down the end of the road.

I agreed – thinking it would at least give me the chance to get her phone number.

But I hadn't even switched on the ignition before she was trying to unzip my flies!

She told me she knew of a quiet lane nearby, but when we

got there it was well-lit and we went into a field next to it – by which time she'd already slipped off her knickers.

I got stuck into her and she clawed at my back with her long fingernails as I pumped long, hard and deep into her wet fanny.

Later I took my muddy clothes to a launderette and washed them there.

And I thought I'd got away with it but the next day my wife found the girl's undercrackers under the passenger seat in our car, and she kicked me out.

Please help!

IH, Kent

Tess says...

BEG for forgiveness, you f\*\*king idiot!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week TESS O'REILLY has been reading through your letters. And here's her advice for you...**

# Nympho breast pals feel a little confused

Dear Tess,

**WE'RE a couple of babes in our late teens who love flashing our bodies.**

We are both at college, doing beauty and hairdressing, and we travel there on the train.

And we really love to show off our knockers to any lads stood on the opposite platforms.

The other day some fella sat opposite us on the train and as usual we were both wearing extremely short skirts with no knickers on underneath.

There was no-one else in the carriage that morning so we told him to get his cock out and we started to play with our wet holes.

## **Bushes**

He quickly shot up all over his pants before getting off at the next stop.

That afternoon at college there was a discussion about pubic hair-shaping and the teacher encouraged us to go home that evening and try it out on our own bushes.

As me and my pal are both completely shaven down below we roped in a few of our female mates and after a few jars at our local boozer we got them

to drop their knickers.

One girl had the most gorgeous pussy and she was dripping wet as we trimmed her bush into the shape of a heart.

She didn't mind when we slipped our fingers up her crack, too, and started to frig her off.

Do you think we're both lesbian?

*TT and JK, Surrey*

**Tess says...**

**NO – but you're certainly randy little minxes!**

Dear Tess,

MY mate's sister is not a stunna but she's got huge tits – she must be 36FF.

I was at a party a couple of weeks ago and ended up pulling her, and we went back to my place where I wasted no time

getting her boobs out.

I wrapped them around my throbbing cock and just as I was about to come, she took me in her mouth and I exploded down her throat.

Later I was giving her hints that she should go when she made it clear she wanted me to knob her.

## **Sopping**

Despite her ugly face, I managed to do as she asked – I just concentrated on her tits and it was quite a turn-on watching them wobble as I thrust into her sopping minge.

But she now thinks we are going with each other.

What should I do?

*DD, Bristol*

**Tess says...**

**JUST be honest with her, and dump her.**

Dear Tess,

MY insatiable girlfriend loves the idea of getting caught having sex, or while I'm licking out her fanny – in some public toilets.

She's made me shag her and taste her juices in some cramped public places and I've enjoyed it.

One time we were in a fast food place and she dragged me to a cubicle in the bogs and dropped her little panties.

She left the cubicle door unlocked and as I was pumping away and fondling her tits about six people all tried to get in and caught us in the act.

## **Frigged**

This seemed to turn her on no end and after I'd shot my load she sat on the bog, spread her legs and frigg'd herself off.

Now she wants to dress up as a naughty college girl, sneak in to the local university and get down to it in the toilets.

However, I'm worried that if we got caught we may be arrested.

I've tried to put her off but she's having none of it.

She's even threatened to do it with a complete random, if I don't do it!

How can I handle this girl better?

**B**OUNCY Brookie G reckons that telly motormouth Piers Morgan is spot on when he berates people for ignoring the "stay at home" coronavirus advice.

The 30G scorcher, from Weybridge, Surrey, said: "Most of the time I think of Piers as a coarse, populist rabble-rouser and I that some of his public pronouncements in regards to the coronavirus have verged on the hysterical."

"But when I saw those crowds of people who had crammed into seaside towns and national park hotspots, I found myself agreeing with him."

"It's idiotic and it's selfish and will mean the restrictions on our movements will have to go on all the longer."

Brookie, 26, added: "As Piers Morgan says, 'It's not hard - just stay at home!'"

## LUCY BECKER

CAR valet Dean Osbourne might clean cars for a living, but he says if he had a night with Lucy Becker things would get dirty.

The 36-year-old business owner gets to clean celebrity supercars daily – but his fantasy involves 36-year-old lovely Lucy, from Barnet, north London.

Dean, from Cornwall, loves to ogle Lucy's 30F sweater-stretchers and said: "If Lucy came in for a valet, I'd give her the full works and then some."

"Although, things wouldn't get clean, it'd get dirty!"

"There'd be white stuff all over her boobs and it wouldn't be shampoo!"

## ZOE FOX

SCOTTISH gardener Callum Clarke has tons of photos of glamour girls in his shed, but Zoe Fox is his favourite.

The 51-year-old, from Ayr, has a bevy of beauties pinned up among his tools – but Zoe's 30DDs take pride of place.

Cardiff-born Zoe, 22, is the apple of Callum's eye and he said: "I've probably got about 50 girls in my shed, but their boobs are only wee compared to Zoe's."

"I've never seen any as perfect as hers – and I would spend all day massaging and groping them if I had the chance."

## VETERAN A SHAR THING FOR SLATTS

DUNDALK in Ireland keeps the show on the road for racing fans.

The nap vote goes to the admirable SHARJAH (2.30) who has been beaten a nose in his last couple of starts here for Andrew Slattery including over today's trip. Yes, the selection is aged 10 now, has not won since July 2018 and remains vulnerable to unexposed rivals, but he is an eight-time course winner and can race from the same mark as his last couple of starts. There might be one last hurrah in the old boy.

Nightly Walling ran in the void race here on Friday and he is the only C&D winner in the field. He looks sure to go close, but jockey Andrew Slattery knows the selection well and the hope is that he can dictate his own fractions and make all.

Ger Lyons' Long Arm is unbeaten in two starts and a 5lbs rise for winning over today's C&D looks fair given that was a hot handicap with several of the top yards represented. The form has not exactly been franked, however, and he is reluctantly overlooked although it should be noted that he holds at Group entry in the Vintage Crop Stakes at Navan next month.

MILLSWYN (3.00) met trouble in running when a close fourth here last time and would surely have gone close with a clear run. That was his first start on the all-weather and he was more at home on the surface than has been the case on soft this winter over timber.

### Fancy

At the time of writing Joseph O'Brien's four-year-old does not have a jockey booked, but his second to Halimi at Galway back in July is very good form. He gets the each way vote.

The mile Maiden is a cracker with Jim Bolger's AGITARE (3.30) getting a narrow vote ahead of Aidan O'Brien's Tiger Moth. The selection finished behind a number of O'Brien-trained two-year-olds last season including Mogul in a Leopardstown Group 3 back in September. Tiger Moth, meanwhile, finished third behind a Jim Bolger-trained debutant on his only start at the Curragh back in October over 7f and he looks sure to appreciate the step up to a mile. Both colts hold fancy entries further down the line.

I will be disappointed if STRONGBOWE (4.00) does not run a very big race for Paddy Twomey and Billy Lee. The selection has been gelded since running a terrific race on debut when third over 10f at Cork back in May behind Brogue.

The winner did little for the form in the listed Devoy Stakes at Naas on Monday, but the Dermot Weld horses all looked badly in need of the run and I still believe that is very good form with the second now rated over 100.

The form of GIN BLOSSOM's (4.30) second – beaten odds on favourite – to Lemista at Gowran Park back in October was given a huge boost when the winner landed the Group 3 Park Express at Naas on Monday.

## WORLD OF SPORT TAKES ACTION

# OLYMPIC TORCHED BY COVID

## No games this summer but they'll still be called Tokyo 2020 in 12 months' time

**THE Olympics will not be happening in July and August as coronavirus strikes at sport again.**

The Tokyo games and paralympics have been put back for up to 12 months.

A statement by the Olympic Committee says: "In the present circumstances, the IOC President and the Prime Minister of Japan have concluded that the Games of the XXXII Olympiad in Tokyo must be rescheduled to a date beyond 2020 but not later than summer 2021.

"It will safeguard the health of the athletes, everybody involved in the Olympic Games and the international

By JOHN ANTHONY

community. The leaders agreed that the Olympic Games in Tokyo could stand as a beacon of hope to the world during these troubled times and that the Olympic flame could become the light at the end of the tunnel in which the world finds itself at present.

"Therefore, it was agreed that the Olympic flame will stay in Japan. It was also agreed that the Games will keep the name Olympic and Paralympic Games Tokyo 2020."

Now the Olympics want to be the massive event everyone looks forward to once the

global coronavirus pandemic is eventually over.

One of the Tokyo 2020 organisers Michael Payne said: "I may be a bit of a lone voice at the moment but I hope I'm proved right, the Tokyo Olympic Games will eventually be the greatest Olympic Games ever."

### Stronger

"It's the ultimate celebration of the world coming together, that's what the Olympics has always represented.

"The world is going to be looking for a celebration to move on from this difficult time, and I think the audiences and the Olympic brand

will come through even stronger."

The postponement is good news for British athletes because we were REFUSING to send a team to the games had they taken place as planned later this summer.

Several other countries around the world were all set to follow suit before the plug was eventually pulled.

UK chairman Hugh Robertson said: "I think it is very simple. If the virus continues as predicted by the Government, I don't think there is any way we can send a team. "And I base that on two things.

"Firstly, I don't see any way that the athletes and

# TO TACKLE CORONAVIRUS PANDEMIC

**SAD SIGHT:**  
No beach  
volleyball to  
enjoy this  
summer

Team GB could be ready by then.

"Elite training facilities are perfectly understandably and quite correctly closed around the country, so there is no way they could undertake the preparation they need to get ready for a Games.

"Second, there is the appropriateness of holding an Olympic Games at a time like this."

Top coach Jeremy Lazarus says it will be hard for elite athletes to get ready for next year.

He trains the likes of Brit superstar Dina Asher-Smith. He believes athletes should not bottle up their frustration.

He added: "It's healthy to let

it out and it's unhealthy to keep it in.

"If you can't physically go and do stuff, at least have someone who you can moan at — ideally not your partner or your kids.

"Anyone, if they bottle things up, it will have an impact somewhere.

"If you have lots of anger in your head it's going to impact on your body.

"There could be health consequences of not letting it out in a healthy way and it may come out in ways they don't want it to.

"They could get back to training and be so hyped up they train too hard and injure themselves."

## Kane fit when football returns

**HARRY Kane will be fit in time for football's big kick-off.**

We still don't know when the action will return but the England skipper is back in training for Tottenham.

The striker has been on the sidelines since tearing his hamstring on New Year's Day. He has been under the knife as he gets over the problem.

Kane knows he'll be fit in time for April 30 — or whenever Spurs take to the field again.

He said: "I'm not too far away — I'd normally hope to be back with the team in two or three weeks' time. I'm at a good

stage, pretty much doing everything, now it's about building up my fitness to come back.

"From a rehab and personal point of view, I'm in a good place, I'm doing really well.

"I'm at a good stage now and just working hard, doing a lot of recovery, a lot of rehab and just waiting to see what happens to the season.

"Other than that, my family is well. Obviously everyone is thinking about coronavirus at the moment and it's a time to be together, to stay safe and hopefully everything will be alright."

**KEEPER:** Odion Ighalo

## United in battle to buy Ighalo

**ODION Ighalo** may have to leave Manchester United before the end of the season.

The striker is on loan from Chinese side Shanghai Shenhua until May 31.

The agreement covers the hitman until the end of the original season but the campaign will go on far beyond that.

The Nigerian forward will be wanted back by his parent club as the Chinese season starts again this summer.

And extending the loan or making the move permanent would need FIFA to open the transfer window early.

As it stands, no deals could go through until June 10.

United are keen to keep Ighalo at the club and are prepared to pay £15m for the 30-year-old.

He has made a fast start to life at Old Trafford with four goals in three starts since signing in January.

Reds boss Ole Gunnar Solskjaer said: "He has qualities we saw in him that we needed."

"And we will still need those qualities next season — so let's see what we will do."

## Coin toss to decide Euro ties

**SOME Europa League ties** could be decided by the toss of a coin.

UEFA have postponed the final of the tournament and the Champions League due to coronavirus.

Europe's Premier competition was set for an Istanbul final on May 30.

Now the plan is for that match to take place on June 27, with the Europa League three days earlier.

But that means a race against time to get all the matches played.

Most of the last-16 ties in both competitions have played their first leg or been completed already — as in Liverpool's case as they were knocked out by Atletico Madrid.

But in the Europa League, Sevilla v Roma and Inter Milan v Getafe haven't started yet.

And UEFA have the option of deciding those games using the toss of a coin.

The other option is to have them as one-leg games with the home team drawn at random.
